IN RE: Proceeding to Investigate Southern Bell)	ORDER
Telephone & Telegraph Company's 1994)	AMENDING
Earnings.)	PRE-FILED
)	ORDER

This matter comes before the Public Service Commission of South Carolina (the Commission) on the request of Southern Bell Telephone & Telegraph Company (Southern Bell or the Company) to be allowed to file "rebuttal" testimony to the testimony of other intervenors consistent with the Staff rebuttal date established in Order No. 95-1127. Southern Bell states its belief that its place in the pre-filed Order allows it no ability to attempt to rebut testimony of the other intervenors in the case.

The Commission has examined this matter and believes that for fairness sake, Southern Bell should be allowed to file testimony attempting to rebut any testimony filed by other intervenors. The testimony shall be due on the same day as the Staff rebuttal date for pre-filed testimony. However, the Commission cautions Southern Bell not to attempt to file surrebuttal testimony to Staff rebuttal testimony. Order No. 95-1127 is hereby amended accordingly.
